ACADEMIC MANAGEMENT SYSTEM

Teachers are using ICT for effective teaching with Learning Management Systems (LMS)

- Information & Communications Technology (ICT) enabled teaching methods are employed by the faculty members in class rooms.
- The Syllabus ,master rotation plan, course content and question banks with key are made available at the very beginning of the academic year.
- The use of multimedia teaching aids like,Power point slides , LCD projectors, smart classrooms and internet(WiFi) enabled computer systems are y employed in classroom.
- The electronic resource packages like DELNET, e-consortium digital library are available.
- Hard disk containing various course materials is accessible to faculty and students from the server installed in the library.
- Sufficient number of books, Journals, e-journals and e-books are available in the library.
- Every year, all the departments conduct seminars, workshops and guest lectures on the new developments in the core subjects for effective teaching and learning by the faculty members and students.
- Seminar hall is equipped with multimedia facilities.

The college has developed an integrated Academic Management System and comprehensive tool for faculty, students and administrators for smooth execution of curriculum.It is a platform to publish all information pertaining to the courses and extension activities of the institution.
