2.5.3 Consolidated report on information on examination reforms:

The university has reformed the process of conduct of examination and evaluation in last 5 years. The Internal assessment and attendance details of each subject are entered through online portal of the university. The examination fees are displayed in the institution portal for each student for each subject and exam fees are paid through NEFT/RTGS before the due date as per the university announcement. The same information is sent to the university through online portal then hall tickets are downloaded for each student and verified. It is attested by the Principal and distributed to the students. The exam timetable is downloaded and displayed in the notice board of college.

CCTV cameras, metal detector and mobile jammers are installed in examination hall as per the instruction of the university. The students are explained about the rules of examination and punishment for malpractice. The downloading of question paper is fully automated, where the chief superintendent has to log-in into the university website portal through specific ID and password 15 minutes prior to the commencement of exams and photocopied as per the required numbers. The examination hall CCTV cameras and cell phone jammers are switched on 30 minutes before the commencement of examination.

The chief superintendent and the invigilator will record the details of activities of the examination hall 30 minutes before the commencement of exam till the packing and sealing of the answer books bundle is over. The entire process of examination is recorded in CD and sent to the university on the same day along with the answer books bundle. On screen evaluation of answer papers are done since 2018 at the evaluation centre in The Tamilnadu Dr MGR medical university, Chennai.
