POLICY DOCUMENT OF MIDCOURSE IMPROVEMENT OF PERFORMANCE OF STUDENTS

In order to bring out academic progression of the students institute has introduced mid-course improvement programmes for the students who are less attentive in class room, score below average in internal assessment and whose participation is lacking in academic activities.

Aim: To introduce learning methodologies to improve students' academic performance.

Objective:

1. To inculcate midcourse improvement program in our teaching methodology.
2. To monitor students' progression/performance

Procedure

A. Timely administration of internal examination

1. Analysis of the student performance in the test
2. Take remedial action on the performance of the students

B. The online assessment and feedback

Take feedback

Note: due to pandemic (COVID 19) conducting exam through online

C. Makeup assignments and test

Analysis the student assignment and test mark, if they will be scored low marks or not submitted the assignment, we have to go for the second assignment likewise retest for the improvement

D. Remedial teaching

Based on the feedback on the above A, B and C steps remedial teaching is conducted.
