Kancheepuram District, Tamilnadu - 603308. Phone: 044-2756 5202/2759 8484

LEARNING MANAGEMENT SYSTEM

A Learning Management system is a Software Application for the Administration, Documentation, Tracking, Reporting, Automation and Delivery of educational courses and training programmes.

In the higher education space, an LMS may offer classroom management for instructor-led training or a flipped classroom. Modern LMSs include intelligent algorithms to make automated recommendations for courses based on a user's skill profile as well as extract metadata from learning materials in order to make such recommendations even more accurate.
